LETTER OF RECOMMENDATION

Cornellà de Llobregat, November 21, 2024

Albert Castro Albacete, holding DNI [REDACTED], has been part of the staff at EDAG Engineering Spain, S.L. during the period from March 24, 2014, to January 30, 2024.

Albert carried out his duties in our models and prototypes workshop, participating in various projects for Cupra, SEAT, the VW Group, and other international clients, performing the typical tasks of a modeler:

- Construction and shaping of parts, mock-ups, models, and prototypes.
- Creation of molds and preparation of parts, following the specified geometry.
- Finishing of parts for priming, painting, and other related processes.
- Final assembly and finishing of various projects, coordinating work teams both nationally and internationally, acting as the primary point of contact with the client.

During this time, Albert has proven to be a diligent and consistent worker, demonstrating high quality and attention to detail, as well as professionalism and commitment to his work.

We would also like to highlight Albert's eagerness to continue learning and his collaboration with colleagues, he is truly a team player.

We appreciate Albert's cooperation during this period and wish him success in both his professional and personal endeavors.

Should you require any additional information, please do not hesitate to contact us.

Atentamente,
